It Is An Old, Old Story

"that you are more liable to lose on a losing horse." You are most likely to win on a winner. Among the multitude of ladies' apparel houses selling in New England, none has come to the front so fast during the last three years as the house of Printz-Beiderman Co.

Our success has come from matter-of-fact adherence to the plain, self-evident truth of business. We have come to take our place among the leading apparel houses because we have carved out a definite policy of SERVICE AND VALUE and held unswervingly to it.

We want you to see our large line of Coats, Suits, Skirts and Waists, which are unusual values at the present time.

Ladies' Fall and Winter Waists

We have now an unusually large line of the season's best values in Ladies' Waists of all qualities, in a large variety of styles and qualities.

One line of Waists which have come in this week are a regular Tailored Waist that is made up in heavy Crepe de Chine, Handkerchief Linen, Dimity and Lawn. These are extremely new and very popular just now. These are made in the newest tailored style and you will like the change and the tailoring will appeal to you.

In the Silk Waist models are some good All-Silk Jap Waists in whites and colors, also Stripes, that we are selling at \$2.00, each, that are real values.

In the Crepe de Chine, Georgette Crepe and Habiti Silk Waists, we can show you some unusually good models in qualities from \$3.50 to \$7.75. Also some unusually good models in Colored Embroidered Front that are new and very good just now.

Ladies' Warm, Serviceable Coats

We have some new models in Coats, such as the Wooltex and Printz-Beiderman make, that will surely appeal to those who want a Coat for service, and at the same time are looking for the best styles of the season.

It is hard to get a Coat this season to sell at a small price, but when you come to Coats to sell at from \$12.50 to \$40.00, we were never able to give you any better values for your money.

When you buy a good Coat this season, you buy a Coat that is bound to be good style for at least two years. The straight tailored lines and fullness around the skirt make these Coats the most conservative garments we have sold in many seasons. You will be pleased with the graceful lines and the values are surely extra good. We have new models coming in nearly every day. See them.
